Line 510 – Description of Compliance with Service Quality Standards and Consumer Protection Rules:

Premier Communications (“Company”) certifies that it has complied and will continue to comply with applicable state and FCC service quality and consumer protection standards. Specifically, Company is required to certify on an annual basis with the Iowa Utilities Board that it is complying with applicable service quality standards and consumer protection rules. Company also monitors and reports certain service quality metrics in accordance with IAC §199-22.6.

Company is also subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3.

In addition, Company has implemented multiple consumer protection measures to protect the consumer against fraud and to protect customer information from improper use and disclosure. These measures include implementing both a Customer Proprietary Network Information policy that complies with FCC rules and regulations and a Red Flag policy that complies with FTC rules and regulations. Both policies require training for all employees which includes authenticating customers, identifying/protecting customer proprietary information, detecting & preventing identity theft, and reviewing Company’s disciplinary process. Company has also appointed a Compliance Officer to oversee both policies and respond to any employee questions. Finally, Company restricts access to customer information to only those employees who need access to perform their job functions.

Line 610 – Description of Functionality in Emergency Situations:

Premier Communications (“Company”) certifies that it has followed and continues to follow industry best practices that are designed to allow Company’s voice and broadband services to remain functional in emergency situations. These best practices include maintaining back-up power, utilizing redundancy within our network, and managing traffic capacity.

Back-Up Power:

Company maintains an 8 hour minimum battery back up at all central office and remote office locations. In addition to battery backup, each location has a permanent natural gas or propane generator which is designed to automatically turn on in the event of a power failure. Company also maintains a 6 hour minimum battery back up at all field terminal locations. In the event of a sustained power outage, Company has approximately 20 gas-powered, portable generators to power its field terminal locations. Finally, customer locations with ONT’s and/or eMTA’s are equipped with 8 hour battery backup. Company also takes proactive measures by conducting monthly testing on generators and performing real-time monitoring of commercial power & generator activity within all levels in its network. All measures above support both voice and broadband network equipment should an emergency situation occur.

Network Redundancy:

Company has utilized industry best practices to build redundancy into every facet of its network. Specifically, every central office and remote office location has redundant fiber routes into its premise. Company utilizes both a fully-redundant regional second-mile and state-wide middle-mile fiber transport ring with all traffic (voice & broadband) able to terminate to multiple locations within the state. Company also maintains redundancy in equipment (voice & broadband) that is designed to automatically “fail-over” in the event one piece of equipment fails, in addition to keeping spares on hand.

Managing Traffic Capacity:

Company’s network is engineered to provide maximum capacity in order to handle excess traffic in the event of traffic spikes resulting from emergency situations. This includes maintaining network capacity (voice & broadband) that is typically not fully utilized under normal circumstances and employing industry best practices to manage traffic flow and capacity in times of unusual network use, such as emergency situations.

1. Terms and Conditions. These General Terms and Conditions govern any and all communications services (“**Service**”) and ancillary equipment (“**Equipment**”) you order and receive from Mutual Telephone Company of Sioux Center, Iowa d/b/a Premier Communications (together with any subsidiaries or affiliates providing any Service or Equipment, “**we**,” “**us**,” or the “**Company**”). These General Terms and Conditions of Service are incorporated into your Service Agreement. By ordering and accepting Service, you agree to adhere to these General Terms and Conditions, including any modifications to such terms and conditions as we may communicate to you from time to time. If you fail to comply with these General Terms and Conditions, your Service may be suspended or disconnected.

2. Additional Terms. Our Services are diverse, so sometimes additional terms and conditions will apply. For example, Service will or may be subject to (a) your Service Application/Agreement; (b) the Company’s Service-specific Terms and Conditions and Service Catalogs (as applicable); (c) the Company’s Acceptable Use Policy; and (d) your selected Service Package(s) (items (a)-(d) collectively, the “**Additional Terms**”), each of which you should read carefully before ordering or activating any Service. By accepting Service, you agree to adhere to all Additional Terms applicable to your Service, including any modifications to such terms and conditions as we may communicate to you from time to time. If you fail to comply with any applicable Additional Terms, your Service may be suspended or disconnected.

3. Rates; Invoicing. Nonrecurring and recurring charges for Service are as set forth in your selected Service Package and/or the rate schedules maintained by the Company, current versions of which are available upon request. All Service charges, along with applicable local, state and federal taxes, regulatory assessments, fees and charges, cost recovery charges and other applicable charges and fees will be itemized on your invoice. You must pay all charges for your Service, including all applicable taxes, fees and surcharges, by the due date on the invoice. If you have signed up for electronic billing, we will not mail you a paper invoice. Invoice information will remain available in your account information or by calling us at our customer service number. Failure to pay invoices when due may result in late payment fees of \$10.00 and/or other penalties, including suspension or disconnection of Service. An additional installation charge and/or a minimum service term may be required to restore Service. If we don’t receive your payment before the next billing cycle, you agree to pay any costs and expenses associated with our collections efforts, including attorneys’ fees. We may charge you an insufficient funds or returned check fee, up to the maximum rate allowed by law, if your check, bank draft, electronic funds transfer, or other order for payment is dishonored or returned for insufficient funds or any other reason. Our acceptance of late or partial payment and late payment charges will not constitute waiver of any of our rights to collect the full amount due.

4. Service Term. Depending on the Service Package you select, you may receive Service for an agreed minimum term (your “**Contract Term**”). In the absence of any Contract Term or after any Contract Term has expired, you will receive Service on a month-to-month basis until Service is canceled by you or disconnected by us in accordance with your Service Agreement. If you select a Contract Term, you understand that you have received a special rate and/or we have incurred costs in exchange for your commitment to the full Contract Term. **If your Service is downgraded, canceled or disconnected prior to the end of a 2-year Contract Term, you may be charged an early termination fee (“ETF”) of \$150, minus \$6.25 for each full month of your Contract Term that you complete. The ETF for Contract Terms of less than 2-years is prorated (i.e., the ETF for a 1-year term is \$75), with the same \$6.25 per month reduction for each full month completed. If your pricing is based on a bundled package of Service, downgrading, canceling or disconnecting any Service within the bundle may, in addition to an ETF, result in increased pricing for the remaining Services.** ETFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancellation or disconnection of Service.

5. Changes to Terms. We reserve the right to change these General Terms and Conditions upon thirty (30) days written notice to you. The notice may be provided on your monthly bill, as a bill insert, by email, on our website, or by other written communication. You may, upon receipt of notice of such change, cancel your Service Agreement; provided that no early termination fee will apply if the communicated change would materially adversely modify the terms (including price) of Service or your rights under your Service Agreement. If you elect not to cancel your Service Agreement and continue to use Service after receiving notice of such changes, your continued use of Service will constitute acceptance of the changed terms and conditions.

6. Credit Check; Deposits. In connection with your request or application for any Service, we may conduct an investigation into your credit-worthiness, including obtaining one or more reports or ratings from one or more independent credit reporting or credit scoring agencies. We may require a deposit for you to establish Service or obtain Equipment. The deposit amount, the length of time we hold the deposit and changes to the deposit amount are determined based on your credit and payment history and any applicable laws or regulations. If Service is canceled or disconnected for any reason, we may, subject to applicable law and regulations, apply your deposit toward payment of outstanding charges.

7. Service Accounts. Service accounts are assigned to customers only, and the customer in whose name the account is established will be treated as the account owner for all purposes. Account owners may designate one or more “authorized users” who will have access to account information and may make certain account changes in accordance with our policies. As the owner of the account, you are responsible for designating (or changing the designation) of any authorized users. You will hold the Company harmless from any claims arising from account instructions given or inquiries made by you or any authorized user. You may not assign or transfer your rights or obligations under your Service Agreement without our express written consent. Unless consent is granted, all accounts must be closed and reopened under the name of a new customer for issuance of a new account number. You are responsible for keeping all billing data with the Company up-to-date and accurate. Furnishing false data to the Company is grounds for immediate disconnection of service and may subject you to civil or criminal liability.

8. Equipment. Equipment is provided to you for the term of Service and solely for your use in connection with lawfully receiving and using Service. We may from time to time sell you certain Equipment at a price and otherwise on such terms as are specified in a purchase order or equipment purchase agreement. Ownership of, and title to, any purchased Equipment shall transfer to you at the time of sale. You will bear all risk of loss, theft or damage to purchased Equipment. We may from time to time lease to you certain Equipment at a price and otherwise on such terms as specified in a service order or equipment lease. In connection with certain Service Packages, Equipment may be licensed to you at no additional charge. All leased or licensed Equipment remains the property of the Company and must be maintained and returned as provided herein. You may elect to independently acquire or supply equipment (“**Customer Supplied Equipment**” or “**CSE**”) instead of buying, leasing or using Equipment provided directly by us. The Company shall not be responsible in any way for the compatibility or fitness for use of any CSE, including any end-user devices. We will install Equipment provided by us in accordance with our policies as in effect from time to time. You acknowledge that the Company is not the manufacturer of, nor a dealer in, any Equipment.

9. Access to Premises. We may enter into, upon and over your premises periodically during the term of this Agreement to install, connect, inspect, maintain, repair, alter, disconnect and remove Equipment and facilities. To the extent the same is consistent with your ownership of the premises, you grant the Company a temporary and permanent easement to construct, install, maintain, and/or replace Service facilities and to install, connect, inspect, maintain, repair, alter, disconnect and remove all Equipment necessary to provide Service. In the event you are not the owner of the premises upon which installation is requested, you warrant to the Company that you have obtained the consent of the owner of the premises for the Company to install and maintain its Equipment as contemplated herein.

10. Safekeeping of Equipment. You are responsible for the safekeeping of all Equipment placed in or on your premises. The Company has no responsibility for replacing Equipment destroyed or damaged by your misuse, abuse or neglect. In the event that any Equipment provided by the Company is destroyed, damaged (ordinary wear and tear excepted), lost or stolen while in your possession, you may be liable to the Company for an equipment recovery fee (“**ERF**”) up to the full cost of repair or replacement of such Equipment.

11. Return of Equipment. If you cancel Service or if Service is disconnected by us, then you must return any leased or licensed Equipment to the Company during regular business hours, Monday through Friday (except holidays), within twenty (20) days of the cancellation or disconnection of Service. **Do not return Equipment by mail or delivery service.** The Equipment must be returned to the Company in the same condition that you received it, except for normal wear and tear. All Equipment must be returned to the Company’s business office or an alternative location designated by the Company at the time of cancellation or disconnection. If you are unable to travel to the Company’s business office or other designated location to return the Equipment, you may request pick-up. Provision of pick-up service is solely at the Company’s option and the Company’s refusal or failure to provide pick-up service will not excuse your obligation to return Equipment. If the Company agrees to provide pick-up service, pick-up will occur during the business week and only during regular business hours. There may be a fee for pick-up, which you will be informed of when you request pick-up service and which will be payable at time of pick-up. If after twenty (20) days from cancellation or disconnection of Service, any leased or licensed Equipment has not been returned to the Company, you may be liable to the Company for an ERF in an amount up to the full cost of replacement of such Equipment. ERFs are cumulative and in addition to any other charges or fees you may owe us and any fees or charges that we may charge upon cancellation or disconnection of Service.

12. Service and Repairs. The Company undertakes reasonable efforts to maintain its network and respond to service or trouble calls in a timely manner. The Company will use commercially reasonable efforts to repair damage to Company-provided Equipment or interruption of Service due to reasonable wear and tear or technical malfunction.

13. Indemnification. You agree to hold harmless and indemnify us and our affiliates, officers, agents and employees from any claim, suit or action arising from or related to your abuse or misuse of any Service or Equipment, or any other violation of your Service Agreement, including any liability or expense arising from claims, losses, damages, suits, judgments, litigation costs and attorneys' fees arising from or in connection with the same.

14. Disclaimer of Warranties. WE MAKE NO WARRANTIES WITH RESPECT TO ANY SERVICE OR EQUIPMENT, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES CONCERNING THE SPECIFIC FUNCTION OF ANY SERVICE OR EQUIPMENT, OR THEIR RELIABILITY, AVAILABILITY, OR ABILITY TO MEET YOUR SPECIFIC NEEDS. TO THE EXTENT PERMITTED BY LAW, WE EXPRESSLY DISCLAIM ALL IMPLIED WARRANTIES, INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF SATISFACTORY QUALITY, NON-INFRINGEMENT, MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

15. Limitation on Remedies. The Company shall not be liable for any delay or failure to provide Service at any time or from time to time, or any interruption or degradation of Service quality that is caused by any of the following:

- an act or omission of an underlying carrier, service or content provider, vendor or other third party;
- Equipment, network or facility failure;
- Equipment, network or facility upgrade or modification;
- force majeure events such as (but not limited to) acts of God, acts of nature, strikes, fire, war, riot, acts of terrorism and government actions;

- any act or omission by you or any person using your Service or Equipment; or
- any other cause that is beyond the Company's control, including, without limitation, a failure of or defect in any hardware, software or Equipment.

TO THE EXTENT PERMITTED BY LAW, OUR TOTAL LIABILITY FOR ANY CLAIM UNDER YOUR SERVICE AGREEMENT, INCLUDING FOR ANY EXPRESS OR IMPLIED WARRANTIES, IS LIMITED TO THE AMOUNT YOU PAID US FOR THE SERVICES OR EQUIPMENT WE PROVIDED, WHETHER SUCH CLAIM OR REMEDY IS SOUGHT IN CONTRACT OR TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE. TO THE EXTENT PERMITTED BY LAW, WE SHALL NOT BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, PUNITIVE, SPECIAL OR TREBLED OR ENHANCED DAMAGES, INCLUDING, BUT NOT LIMITED TO LOST PROFITS, LOST BUSINESS, OR OTHER COMMERCIAL OR ECONOMIC LOSS, WHETHER SUCH DAMAGES ARE CLAIMED FOR BREACH OF CONTRACT, NEGLIGENCE OR OTHERWISE AND WHETHER OR NOT WE HAVE BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

16. Conflicts of Terms. Your Service Agreement and our contractual relationship with you shall be governed by and construed in accordance with the substantive laws of the State of Iowa, without regard to the principles of conflicts of law. Any conflict among or between the terms and making up your Service Agreement will be resolved in accordance with the following order of precedence (from highest to lowest priority):

- (a) your Service Application/Agreement, including the terms of your selected Service Package;
- (b) the Service-Specific Terms and Conditions for each Service and our Service Catalogs;
